2nd ANNUAL SAFE KIDS DAY!

On Saturday, May 18, 2002. The Chapel Oaks Volunteer Fire Department had there 2nd annual safe kids day. "Safe Kids Day" was developed to show families how to protect themselves from common household hazards, such as burns, drugs, drowning, suffocation choking, fire injury, poisoning and falls. Last year our event gathered over 250 patrons, kids, law enforcement personal, health officals and residential spectators. This year was a great success we doubled our participation. GREAT JOB THANK YOU!!

OUTSTANDING PERFORMANCE

On behalf of the Safe Kids Day commttee: Stefan Gansert, Deneen Lewis, Johnathan Bolden, Anita Bolden and others. We would like to say thanks to our MEMBERS for helping use make this event a great success, and from the donations that came from many other departments. THANK YOU. Remember "It takes an entire community to safeguard our children!"
